

## WILSON TO SPEAK THIS AFTERNOON

Will Address Members Of  
Woodrow Wilson Ind-  
ependent League

## TO MAKE SPECIAL APPEAL

The President Believes Coming  
Election Will Be Decided  
By Independents.

## EXPECT 2,000 TO ATTEND

CRESTLINE, O., Oct. 6.—President Wilson plans to make the second strictly political speech of his campaign at Shadow Lawn tomorrow afternoon before members of the Woodrow Wilson Independent League. Returning from Omaha, Nebraska, he will arrive at Long Branch at 10 o'clock tomorrow morning and begin preparations at once for receiving the more than 2,000 independents expected to attend the meeting. The president is known to believe the coming election will be decided by independents and therefore tomorrow he will make an especial appeal to them. In addition to the independents the meeting tomorrow will be attended by a group of progressives, led by Hugh Gordon Miller of New York. The president will seek to show that because of its legislative achievements of the last three years the Democratic party more than the Republican party deserves the support of Progressive and Independent voters.

The president is returning to Shadow Lawn convinced that he has a good chance of carrying several middle western states hitherto thought certain Republican. Gov. Dunne, of Illinois, and Senator Walsh, in charge of Democratic western headquarters assured him in Chicago today that the most encouraging reports are being received from all parts of the West.

The run thru Iowa, Illinois, Ohio and Indiana today was made with but few stops. Several times the president stepped to the rear platform of his private car but his schedule had not been announced in advance and the crowds were small.

Mr. Wilson was told tonight of published reports that Ambassador Gerard, now enroute home from his post in Berlin, was bringing suggestions that the United States make a new move for peace. The statement was authorized that the president knew of no such mission. Recently Mr. Wilson said that Mr. Gerard was coming home only for a vacation. Count von Bernstorff, the German ambassador, has an engagement to see the president Monday to present a letter from the German Emperor on Polish relief.

## I. W. W. ATTEMPTS TO MEET CAUSE RIOT

CHICAGO, Oct. 6.—Attempts of I. W. W. leaders to hold a soap box meeting in the vicinity of a Jewish synagogue on the west side tonight led to a riot in which nearly a thousand residents of the district showered bricks and eggs at the speakers, including Benjamin Reitman prominent among the Industrial Workers of the World.

The Jewish residents objected to the invasion of the Industrial Workers on the ground that it was a desecration of Yom Kippur, the Jewish Day of Atonement, which began at sundown tonight.

## MEXICANS SEIZE AMERICAN SCHOONER

SAN DIEGO, Calif., Oct. 6.—Seizure of the American fishing schooner Couer D'Alene of this port on the high seas off Escondido, Mexico by the Mexican patrol boat Escondido and the arrest of Captain Henry Krotzer and his American crew on a charge of poaching was reported here today by passengers arriving from the south on the British vessel Gryme.

Captain Krotzer, it is said claimed his ship was outside the three mile limit.

## NAME DELEGATES TO GO TO COPENHAGEN

ST. THOMAS, D. W. I., Oct. 6.—The legislature of the islands of St. Thomas and St. Croix, following instructions sent by the committee of the Danish Parliament in Copenhagen, have designated delegates to go to Copenhagen and present the views of the islands on the sale of the Danish West Indies to the United States.

All are instructed to recommend the sale of the islands and the St. Croix delegates were told not to recommend reforms. A mass meeting will be held at St. Thomas soon to obtain the views of the inhabitants.

## MOB DRIVES MARSHAL, DEPUTIES OUT OF TOWN

Wreck Jail and Liberate Six  
Prisoners Held On Petty  
Charge.

Mob Resented Arrest of Several  
Prominent Citizens for Violating  
Traffic Ordinances Because They  
Said Rough Streets Made It Im-  
possible To Follow Ordinary Rules

Wichita, Kan., Oct. 6.—A mob of 1,000 citizens tonight ran Marshal Crowe and his three deputies out of the city of Augusta, an oil town, twenty miles east of here, wrecked the city jail and liberated six prisoners, held on petty charges.

The mob resented the arrest of several prominent citizens on charges of violating traffic ordinances because the citizens said the rough streets made it impossible to follow the ordinary rules of the road.

Tonight when Wm. Peel, candidate for the legislature, rode down Main street on a white horse, with a lantern held behind him, the jest delighted the crowd on the street but angered the officers. Peel's arrest caused a mob to form which soon began to express its disapproval in threats. A proposal to wreck the jail gained ready attention. After the structure had been damaged beyond immediate use the crowd marched to Mayor Weidlein's home to demand the discharge of the entire police force but the mayor could not be found.

## PACKED HOUSE GREETED WOMEN CAMPAIGNERS

Crowd Headed by Band Meets Special  
Train at Waterloo—Several  
Deliver Addresses.

Waterloo, Ia., Oct. 6.—A packed house at a local theater greeted speakers from the women's Hughes campaign train here tonight. The special was met late this afternoon by a representative crowd, headed by a band. Addresses were given this evening by Mrs. Maude Howe Elliott, Mrs. Nelson O'Shaughnessy, Mrs. Maude E. Miner and Miss Mary Antin. James Good, Iowa congressman from the fifth district also spoke.

Mrs. Elliott spoke of Mr. Hughes' record while Governor of New York as it applied to legislation affecting capital and labor. Mrs. O'Shaughnessy dwelt upon affairs in Mexico, as she had witnessed them while with her husband in Mexico City while Mr. O'Shaughnessy was in charge of United States interests in that country. Miss Miner dwelt upon the social and economic condition of working girls in New York and how Governor Hughes had endeavored to provide remedies thru the enactment of state laws. Mrs. Rheta C. Dorr's talk on Mr. Hughes, recorded as a supporter of laws for the betterment of conditions for workmen was especially well received, as was an address by Miss Mary Antin, who spoke of a need of more consideration for immigrants.

A committee headed by Mrs. C. E. Pickett, wife of former Congressman Pickett and Mrs. E. M. Storm of this city, met the special at Davenport this morning. Plans were made here tonight for the organization of a Hughes Alliance by Miss Esther E. Lape of the New York office of the Republican's Campaign committee who will return to New York at the close of the coming week.

## TAFT MAKES ATTACK ON EIGHT-HOUR LAW

Former President Speaks at Indiana's Centennial Celebration—  
Picks Flaws in Government.

Indianapolis, Oct. 6.—The eight-hour law recently enacted by Congress was attacked by William Howard Taft tonight when he addressed a large crowd at the Coliseum discussing the development of constitutional government of the state. Mr. Taft's speech was a part of the county day program in connection with Indiana's centennial celebration and while no political in character gave him an opportunity to find flaws in the government.

Mr. Taft declared that the law forbids the formation of combinations for oppression. But he said, there has developed in this country a tendency in high quarters to disregard constitutional limitations and to overlook certain classes of acts provided a political advantage could be gained. He regarded the eight-hour law as such and said:

"This is the most noteworthy instance of a group whose labor was necessary that society may live, refusing to perform its function in the social machinery."

## MAY ADMIT WOMEN TO BOARD.

ST. LOUIS, Mo., Oct. 6.—Action which may be the first step in admitting women to the board of Missions of the Protestant Episcopal church was taken by the board in its first session at the quarterly meeting here today, preliminary to the general convention of the church, which opens Oct. 11. The "one day's income" plan has placed the board of missions entirely out of debt, it was announced. The treasurer reported the income to be \$1,535.041.35, the largest annual gift ever made. Its balance \$26,400 also is the largest ever left at the close of the year.

## War News Summarized

Turning against the Roumanians, who had been advancing steadily in Eastern Transylvania, Austro-Hungarian and German troops have defeated the invaders decisively along a fifty mile front. North of Fogaras, at the juncture of the Homero and Alt rivers, near Reps, the Roumanians are in retreat, pursued by the Teutonic troops.

The successful repulse of the invaders on the southern end of the line was at the hands of Gen. von Falkenhayn, former chief of the German general staff and who only last week routed the Roumanians around Hermannstadt and drove them back to their own frontier. North of Reps the Austro-Hungarians recaptured positions and took more than 200 prisoners. Bucharest admits that the Roumanian troops in Eastern Transylvania have been withdrawn before attack by superior forces in the region of Fogaras.

In Dobrudja heavy fighting continues along the line south of the Constantza-Bucharest railway with Bucharest recording progress for the Russians and Roumanians in the center and on their left wing.

While Gen. Brussiloff apparently has ceased, at least for the moment, his attacks against the Austro-German lines in Volhynia, west of Lutsk, he continues southward his assaults with great intensity against the positions of the Teutonic Allies guarding the approaches to Lemberg, capital of Galicia. Altho the Russian attacks were held up north-east of Lemberg, those to the south-east of the capital according to Petrograd resulted in the taking of positions south of Brzezany and the capture of 500 prisoners. Berlin however declares that all Russian attacks in Galicia have been repulsed and that the Austro-Germans have taken 1,200 prisoners from the Russians. In Macedonia the armies of the Entente Allies continue to advance. The British troops that crossed the Struma, northeast of Saloniki have taken the town of Novolyn, which was evacuated by the defenders. South of Monastir, Serbia, violent fighting in the region of the Verna river is reported by Paris.

The artillery continues active on the Somme front in France, according to the reports from the war offices of all the belligerents.

A delayed report from Constantinople tells of the rout of the Russian troops northwest of Hamadan, Persia. Tribesmen in Isphahan, says Constantinople has risen in revolt and driven the Russians from the city. Petrograd, on the other hand, reports progress for the Russians west and southwest of Trebizond, in Armenia.

## CHARGE MAN AND BRIDE WITH MURDER

GARDEN CITY, Kan., Oct. 6.—Fred M. Gilmer, wealthy wheat grower and his young bride under arrest here, charged with the death on August 12, of Mrs. Hannah Gilmer, the arrested man's first wife, were bound over to the district court at their preliminary hearing here today to face a charge of first degree murder. Their bond was placed at \$10,000, and at a late hour tonight they had not been released.

Professor George N. Watson, drug analyst for the State Board of Health testified today of having extracted poison from the viscera of the dead woman. The fact that the food in the dead woman's stomach was undigested indicated, according to witnesses that the poison probably had entered her stomach at breakfast.

## CHALLENGE SHERMAN TO DEBATE GOMPERS

Olander Urges Senator to Meet  
Labor Leader in a Mass Meeting  
Either in Springfield or Chicago.

Springfield, Ill., Oct. 6.—U. S. Senator Lawrence Y. Sherman of Illinois has been challenged to meet in public debate Samuel Gompers, president of the American Federation of Labor, whom Senator Sherman recently attacked in the U. S. Senate. The challenge has been sent to Sherman by Victor A. Olander, secretary of the Illinois Federation of Labor, on behalf of the state federation and the Chicago Federation of Labor.

In his speech in the senate Sherman is quoted as saying: "Gird up your loins, Mr. Gompers and answer me as a man."

Olander, in reply to this, urged Senator Sherman to meet Mr. Gompers in a public mass meeting either in Chicago or Springfield not later than October 12.

Senator Sherman is in St. Louis with the special train carrying Republican state candidates.

## PLAY DOUBLE-HEADER TODAY

ST. LOUIS, Mo., Oct. 4.—The St. Louis Americans and Nationals rested today but will play a double-header tomorrow. If the Americans win both games it will be four straight for them and will end the series. If the Nationals win the teams will play Sunday.

## BRITISH SHIP RUN DOWN AND SUNK

Chesapeake Steamer  
Strikes Vessel in Hamp-  
ton Roads in Fog

## ALL BELIEVED SAVED

Captain and Crew of English  
Craft Are Taken Off in  
Small Boats.

## OTHER LIMPS INTO PORT

NORFOLK, Va., Oct. 6.—The British steamer Hawkhead at anchor in Hampton Roads off Sewall's Point was run down and sunk about eight o'clock tonight by the Chesapeake Steamship Company's bay line steamer, City of Norfolk, outward bound from this port for Baltimore with a number of passengers. The City of Norfolk was badly damaged about the bow but there was no loss of life so far as is known. The collision occurred during a heavy fog.

Reports from Old Point, just across from Sewall's Point, were that the bow of the passenger liner was partially carried away and that several persons on board were badly injured. The passengers were said to have been transferred to the Old Dominion River steamer Pocahontas for Norfolk.

Capt. Hand and the crew of the Hawkhead were taken off by small boats lowered by the City of Norfolk, the river steamer Pocahontas, and other craft which were passing. Fifteen minutes after being struck the British ship had settled on the bottom in thirty feet of water.

Most of the passengers, nearly 100—on the City of Norfolk were at dinner when the crash came. The officers soon succeeded in quelling the excitement. The Pocahontas came alongside the City of Norfolk and the passengers were transferred to the river craft but they remained there only a short time, being put aboard a bay liner of the Baltimore Steam Packet Company, which took most of them on to Baltimore. About 15 of the passengers elected to return to Norfolk.

Altho the City of Norfolk's bow was carried away for ten feet, the collision bulkheads held and she turned about and steamed slowly back to this port, being assisted by tugs.

The captain of neither vessel would discuss the collision after they arrived here late tonight farther than to say that the Roads was enveloped in a heavy blanket of fog.

## DUNNE CONFERS WITH CHAIRMAN CHARLES

CHICAGO, Oct. 6.—Gov. Edward F. Dunne held a conference today with Chairman Arthur W. Charles, of the Democratic state committee and Wm. L. O'Connell, his personal campaign manager at which plans were discussed for the governor's speaking tour of Illinois.

"If my voice holds out, and I think it will, I expect to speak in nearly every county in the state before the end of the campaign," said Gov. Dunne. "I am well pleased with the progress of my campaign today. I have made a dozen speeches on state issues and everywhere the crowds have been large and enthusiastic. I think the voters of Illinois will answer my question: 'Can the governorship of Illinois be bought?' on the negative on election day."

## CARRANZA PREPARES DECREE

Mexico City, Oct. 6.—The government today prepared a decree providing for the death penalty for robbers, bandits, and those convicted vate bankers from serving after.

The foreign office announced that it had protested to Cuba against alleged anti-Mexican attacks in so-called governmental newspapers in Cuba.

## GIVES INTERPRETATION OF SECTION OF CLAYTON ACT

Washington, Oct. 6.—The section of the Clayton act prohibiting private business from serving after Oct. 15, as officers or directors of banks having memberships in the federal reserve system was interpreted by the federal reserve board tonight as barring only those engaged in the banking business "as generally understood" and not those classes as stock, note, or commodity brokers or those using their own funds in making loans.

GRANITE CITY, Ill.—Six coaches of Chicago & Alton Passenger train No. 3 Chicago to St. Louis overturned in a ditch four miles east of here. Of the 150 passengers none was more than bruised. John Pettit, of Dwight, Ill., a mail clerk, suffered several broken ribs.

## UNABLE TO GIVE OUT BORDER PLAN

ATLANTIC CITY, N. J., Oct. 6.—When the members of the Mexican-American joint commission finished their conferences for the week today they still were unable to announce a plan for border control.

When the commissioners met Monday Major Gen. Tasker H. Bliss, assistant chief of staff of the American army is expected to be here. This second summoning of Gen. Bliss is taken to indicate that the commissioners expect to devote the early part of next week to the various plans suggested for maintaining order along the border.

Gen. Carranza's representatives on the commission expect to be in New York tomorrow. There Luis Cabrera, head of the Mexican commission, will confer again with the committee sent here recently to represent American mining interests in Mexico.

## IDENTIFY BODY AS MARIE GRUENWALD

CHICAGO, Oct. 6.—The bruised body of a woman, found in Lake Michigan off Jackson Park Wednesday night was identified today as that of Miss Marie Gruenwald. The police believe she was murdered.

Miss Gruenwald, it was said, came to Chicago from Davenport, Ia., several months ago. She was a housekeeper connected with an institution at the University of Chicago. She disappeared Tuesday afternoon.

Friends of the dead girl declared she always appeared to be cheerful and scouted a suicide theory.

Miss Gruenwald was about 35 years old. Her parents have been dead for several years. Relatives, however, live in Davenport.

## FAIRBANKS SPEAKS TO PORTLAND CROWD

PORTLAND, Ore., Oct. 6.—Charles Warren Fairbanks, Republican nominee for vice president, brought to a close a busy day spent in touring Oregon from south to north with an address here tonight before a crowd that taxed the capacity of the armory of the Oregon National Guard.

He left at midnight for Seattle. "Our Democratic friends," Mr. Fairbanks said, "urge the re-election of Mr. Wilson on the grounds that he kept us out of war. A little analysis shows how utterly base it is and should not hold our attention for a moment. The fact is he did not keep us out of war but on the contrary got us into it. It is true that as compared with wars which occupy the public mind, it was a very small one."

## HUGHES VISITS HIS BOYHOOD HOME

MONTCLAIR, N. J., Oct. 6.—Charles Evans Hughes spent an hour this afternoon visiting his boyhood home in Newark, N. J., where his father was minister of a Baptist church from 1869 to 1874. It was the second time Mr. Hughes had seen his childhood residence in 42 years. He was accompanied by Mrs. Hughes, whom he introduced to several old time friends.

The house in which the Republican presidential nominee lived in his youth is now occupied.

Mr. and Mrs. Hughes motored to Glen Ridge, N. J., to dine with their son Charles E. Hughes, Jr.

## CAPTURE TWO YOUTHS WHO ROBBED BANK

Posse Takes Bandits In Corn-  
field After Exchanging  
Shots.

Woman Bookkeeper Surprises Rob-  
bers At Work On Her Return To  
Bank and Gives Alarm—Outlaws  
Hit Cashier Over Head.

Covington, Ind., Oct. 6.—Two young men entered the Citizens Bank here at 3 o'clock this afternoon attacked the cashier, Samuel P. Gray and escaped with \$400. They were surrounded and captured in a cornfield soon afterward, but not until after several shots had been exchanged by them and the pursuing posse. They refused to answer questions. Gray, the cashier, was hit on the head and dazed. The robbers were frightened from the bank by the screams of a woman employee. They dropped several money packages containing \$300 as they fled.

The two robbers later were identified as William A. Dixon, 28 years old, and Ewalt Crescent, 17, both of Detroit, Mich. They said they had been tramping about the country.

The warning was sounded by Miss Laura Ward, a bookkeeper, who on returning to the bank surprised the robbers at their work. She gave chase and succeeded in attracting attention of passersby. Dixon who was wounded in the face by shot, interceded for Crescent, declaring that he had led Crescent into the raid and asked the officials to be "easy on him."

## MARSHALL MAKES HIS FIRST IOWA SPEECH

Vice-President Receives Royal Wel-  
come at Burlington—Speech is a  
Challenge to Republicans.

Burlington, Ia., Oct. 6.—Thomas R. Marshall, vice president of the United States was accorded a royal welcome to Burlington this afternoon where he delivered his first Iowa speech in his campaign for re-election. Mr. Marshall was escorted thru the business district by a band and two hundred and fifty automobiles and was greeted by a large crowd at the coliseum where he spoke.

His speech was a challenge to the Republican Party, the Vice President declaring that the Republican nominees had not stated just what he would do if elected or what he would have done had he had to face the problems which President Wilson has had to deal with. He took up questions dealing with Mexico, foreign relations, the war and the Adamson eight hour railroad law, declaring that the administration had dealt with all of them in a manner which was for the best interests of all concerned. His chief political topic was concerning the eight hour law but declared that it was not an issue in the present campaign as the only way it could be made one was to have the Republican nominee for the presidency say that he if elected would repeal it. He said that the administration recognized the fact that a railroad strike would mean a serious panic and that the situation was met in the most effective way. He heartily endorsed the principle of the eight hour law and said that the Democratic party had passed a good law in three days which the Republicans were unable to do in fourteen years.

Mr. Marshall, who was accompanied to Burlington by his wife, left at 6 o'clock on a special train for Muscatine, Ia., where he will speak this evening.

## WHITMAN REFUSES TO EXTEND CLEMENCY

ALBANY, N. Y., Oct. 6.—Thomas Bamberick, whose execution for the murder of Patrolman George Dapping in New York in September, 1915, is fixed for tomorrow morning at Sing Sing prison, lost what was believed to be his last chance for life late today when Gov. Whitman declined to extend executive clemency to him.

Alexander Karlin, attorney for Bamberick, asked that the death sentence be changed to life imprisonment so that there could be investigated allegations that Frank Reilly, a prisoner on another charge, shot Dapping.

## SEVENTY-THREE PASS STATE BAR EXAMINATION

Springfield, Ill., Oct. 6.—Seventy-one men and two women successfully passed the Illinois State Bar examination according to a report of the board of law examiners here today. The two women were Bridget H. Sullivan and Matilda Ziwardowski of Chicago.

Among those outside of Cook county, who passed the examination were David D. McKay and Byron E. Shirley of Bloomington and Paul G. Weisenborn of Quincy.

## ADAMS REPORTS IOWA SAFELY REPUBLICAN

Chicago, Oct. 6.—J. T. Adams, Republican national committeeman from Iowa returned to Western headquarters today after a week's absence in Iowa where he talked with leaders in all parts of the state. He reported Iowa is safely Republican and that the only question is the size of Hughes and Fairbanks' plurality.

## KIDNAPPED MAN KILLS HIS GUARD

Mine Manager Frustrates  
Attempt to Secure  
\$15,000 Ransom

## ARREST ONE OF BAND

Sheriff Organizes Posse and  
Finds Manager in Canyon  
In Twenty Mile Park

## SEARCH FOR OUTLAWS

STEAMBOAT SPRINGS, Colo.,

Oct. 6.—An attempt to secure \$15,000 ransom by kidnaping R. M. Perry, manager of the Moffat Coal mine at Oak Creek, on Wednesday night was frustrated late today, when Perry at an opportune moment seized a revolver from one of his captors and shot him dead, according to J. C. Frye, sheriff, who with Perry and a posse began pursuit of others of the band.

One of the kidnapers was arrested and taken to jail at Steamboat Springs, where he refused to divulge his name.

While awaiting a reply from a demand for the ransom sent Perry's father, S. M. Perry, in Denver, the younger Perry was kept under guard in a canyon in Twenty Mile Park. According to reports here Perry freed himself from the ropes with which he was tied, procured the revolver from his guard and killed him.

Perry made his way to a ranch house from which he telephoned. The message was not coherent, however, and its source could not be determined before communication failed.

Sheriff J. C. Frye organized a posse and is said to have found Perry unharmed—in Twenty Mile Park.

At the office of the sheriff, it was said later, six or seven men were implicated in the kidnapping. The man under arrest, according to the jailer speaks English brokenly. His name, according to the jailer's interpretation was William Demolne. At a late hour the posse had not returned.

## Father Leaves For Oak Creek.

Denver, Colo., Oct. 6.—A report that R. M. Perry, manager of the Moffat Coal mine at Oak Creek, Colo., who was kidnapped from his cabin Wednesday night and held for \$15,000 ransom had escaped from his captors could not be confirmed early tonight. The origin of a garbled telephone message received at Yuma, Colo., and supposed to have come from Perry could not be traced. Communication was interrupted before the message was completed and uncertainty exists as to whether it was he who telephoned.

Meantime posses continued to search for the missing mine manager. S. M. Perry, father of the missing man, who was accompanied by several detectives, left Denver in a special train today for Oak Creek. Late last night the elder Perry received a special delivery letter directing him to come alone and deposit \$15,000 in a designated place or his son would be killed.

## Tries to Hold up Guard.

Oak Creek, Colo., Oct. 6.—The kidnapped man was taken to a deserted cabin in a canyon, twenty miles from here. There one of the Greeks kept guard over him while the others slept. While one of the kidnapers was preparing a meal, Perry worked his arms free from the ropes with which he was tied and obtained possession of the guard's revolver. He attempted to hold up the man. One of them started toward him. Perry fired, disabling his assailant. Then he fled.

Perry reached a ranch ten miles from here at noon today and telephoned word of his escape.

### War an Education

There is nothing like war as an educator. Fine theories are blasted to pieces by grim facts. A nation learns that it must depend upon itself. The movement for protection in England is not sentimental or theoretical, but is the exercise of the instinct of self-preservation.

"We are melting down millions of English sovereigns and coining them into American money," said the Director of the Mint on Sept. 29, speaking at the American Bankers Association convention at Kansas City. "I estimate that the amount of gold still to be received by the United States from the allied nations will be \$400,000,000. The amount of gold received up to date is over \$750,000,000."

Naturally, England is trying to stop this drain of gold. It will diminish the purchase of American goods as far as possible, and establish a protective tariff system as soon as the public can be made to see the fallacy and danger of the free trade system.

### England Headed for Protection

While England, the greatest commercial nation in the world, is coming to the protective tariff as a dire necessity, the Democratic President of the United States sees the inflow of war gold and proclaims the fallacy of protection. He wants more and more free trade, and he begins by throwing open the American market without obtaining any equivalent concessions in other markets. Two-thirds of all the goods imported in the United States are on the free list. There is neither protection to American industry and labor, or revenue to the government. The gigantic market of the United States is handed over, a free gift, to the foreign employers of cheap labor.

How long can the United States stand such an arrangement after the war, when England and Europe's soldiers are transformed into producers of manufactures? With Europe's markets closed to Americans, and America's markets open to Europeans, which direction would the flow of gold take across the Atlantic?

### To Honor Sheridan's Memory

Business will be suspended and public offices closed in Albany, the capital of New York, today when the people will assemble to pay honor to the memory of the late General Phil H. Sheridan. Albany is proud to claim General Sheridan as a son and an imposing statue of the great warrior has been erected in the capitol grounds. Prominent speakers will make addresses and pay eulogy to the memory of General Sheridan, whose services to the union in the dark days of the war were of a conspicuous type. The stories of loyalty and bravery have been handed down to the present generation in many an incident of the war and very few of the heroes of the war have made larger contributions to the present day patriotism of the United States.

### The Business of Citizenship

The most common thing that one hears is that "I haven't got time to attend that meeting and it doesn't concern me." is the statement made

in an editorial in the Woman's Home Companion. These words are familiar indeed, to citizens who seek to enlist the aid of others in settling the problems of general public interest. The water supply of a certain town was polluted and an effort was made to procure a committee of 100 and to arrange for a mass meeting to get the board of health to take some measures for relief. Many people when asked to assist, made the usual reply, "I haven't time to attend and it doesn't concern me." Others said, "Don't ask me to do things like this. I have all that I can possibly attend to right here at home." But in that town along came cases of typhoid fever, some of them in the homes of people who had refused to take part in the mass meeting.

People are coming to know more and more that questions which concern the town or city in which they live really concern them. The duties of citizenship are coming more and more to be understood and it is gratifying to note the changing public sentiment along this line, so that instead of the spectacle of four or five citizens in each community having to take the leadership in all civic betterment programs, the number available for the work is constantly increasing. But there is still room for improvement and there are citizens of the "I haven't time to attend" spirit who must be converted.

### A Lasting Memorial

A wealthy St. Louis resident has set a fine example in memorials. He has risen to his present position after coming to this country a penniless emigrant boy. Recently he has purchased for \$15,000 the site of the old school that he attended in his earlier years and is to convert it into a recreation ground for children, with a baseball diamond and other attractions. Such a monument as this will make the St. Louisan's memory green for years to come and at the same time will have a lasting influence for good upon a countless number of boys and girls. Certainly there is much more wisdom in a living monument of this kind than one wrought in bronze or a great pile of stately marble. This man will live in the hearts of the boys and girls of today and the men and women of tomorrow.

### SUMMER TRIP STORIES TOLD CHURCHMEN

Congregational Brotherhood Held First Meeting of Fall Series Friday Night

The brotherhood of the Congregational church held the first meeting of the season in the church parlors last evening. An excellent supper was served by Messrs. C. H. Smith and L. S. Doane and was much enjoyed. Business followed and after hearing the minutes of the last meeting George Cox who had been elected secretary resigned and Stanley Post resigned as treasurer. H. Lindeman was elected treasurer and Stanley Post secretary.

The various committees were then announced. Executive: C. H. Ward, Pres.; M. L. Robinson, Vice Pres.; Stanley Post, Secretary; H. Lindeman, Treasurer, and P. J. Lippincott.

Program Committee: J. P. Lippincott, Dr. C. E. Black and W. D. Wood. Refreshment Committee: A. D. Fairbank, Lee S. Doane, and Chas. H. Smith.

Membership Committee: Miller Weir, E. A. Tanner, Thos. Jenkins, Allan Smith and Earl Spink.

Evangelistic Committee: B. W. Smith, J. Allerton Palmer, W. A. Kirby, Rev. R. O. Post and Frank T. Irving.

### Summer Reminiscences

The program for the evening was somewhat informal, each person who had taken a vacation being requested to tell something about it. Rev. R. O. Post told in graphic terms of the vacation days he had enjoyed dwelling much on what he saw first at Plattsburg; a large school for Roman Catholic priests and an immense military camp. There all distinctions are banished and the millionaire or the son of one who cleans camp, acts as nurse or does the most menial as well as the most honorable duties of a soldier. Then he told of climbing mountains at which he is an evident adept and he caused envy in the minds of some of his audience by telling of the grand experiences he had enjoyed. Then came the secluded resorts in the east where were gathered many of the choicest spirits of the land and where he enjoyed the society and discourses of many men great in the literary and spiritual world.

Charles H. Ward pleasantly narrated some of his experiences in California, especially at Redlands where he spent a short time and where he found great hospitality and courtesy, wonderfully beautiful residences, streets, drives, grounds and all else possible in a land where fires for heat are unnecessary.

Dr. C. E. Black said in the strict sense of the word he had enjoyed no vacation. He referred to the great picnic he enables so many to enjoy each year at his country estate in Cass county. Last year he had Dr. Crile of Cleveland, in many ways, the greatest medical man living, yet with his wife the gentlemen attended and made the whole gathering feel that they were delighted with everything and everybody. This year great Dr. William Mayo was the guest of honor. This gentleman also stands in the very front rank of the profession and has with his brother probably the greatest enterprise of the kind in the world. As an organizer, manager, financier, and instructor he has few equals.

Dr. Black said he had never taken a vacation pure and simple and wouldn't know how to act fishing, climbing mountains, swimming and boating. He did spend considerable time away from home but it was generally at gatherings of the profession. Progress is so rapid these days that in order to keep in sight of the profession one must avail himself of every possible advantage. S. W. Nichols told of a trip through parts of Missouri, Niagara Falls and Canada.

A. D. Fairbank told of the peninsula at Old Mission, Michigan, where a great many Jacksonville people have homes and real estate holdings. The conditions there are delightful and those who go once want to go again. The health giving properties of the place are wonderful and all connected with the location in summer interesting. Men don their overalls and leave off their white shirts and collars till leaving time. He and Dr. Rammelkamp had amused themselves constructing an ice house and doing a few other little things.

Chas. H. Ward told of an exciting trip in the vicinity of Omena, Mich., and other localities of the great lakes.

It is the intention to have the next meeting at a time when Mr. and Mrs. Christian, the missionary pastor and wife, may be present if practicable and it may not be the first Friday in November.

Local Pythians are planning to go in large force Monday, Oct. 16, to Decatur to attend the dedication of the Pythian home for old people. They will leave Monday morning via the Wabash and will take with them the D. O. K. K. drill team and Jeffries band. For the next three days, Oct. 17, 18, and 19, the grand lodge of Illinois will be in session and a number of Jacksonville Knights will remain for at least a part of these sessions.

The excursion will not be limited to Pythians only. The grand lodge meeting will see the advancement of John J. Reeve from the place of vice chancellor to the grand chancellor's chair and it is hoped that as many Jacksonville citizens as possible will lend their support at this time and that a large delegation will make the trip to Decatur.

### INS AND OUTS

The times are hard and the fates are mean; my children clamor for gasoline. So dire their want, and so deep their woes, they can't all go to the movie shows. When such things be we can realize a change of government is most wise; we'll all be covered with cheerful grins, when the Ins are Outs and the Outs are Ins. The times are hard and the years are lean, my wife is minus a limousine; the breath of autumn now keenly stirs, and none of my girls is wearing furs. There's something wrong with the ship of state; the present skipper must pull his freight; we'll hang the crew to the mainmast mast, and then our worries will all be past. The time of roses and wine begins, when the Ins are Outs and the Outs are Ins.

**Hallowell.**

Miss Elizabeth Hallowell died very suddenly recently at the home of her sister, Mrs. Mary Campbell, 829 S. Third street, Springfield, Miss Hallowell was found dead in bed Tuesday morning and inquiry developed that death was due to heart disease.

The funeral was held at the Campbell residence Thursday afternoon with services in charge of Rev. Mr. Johnson, pastor of the First Congregational church. Interment was in Oak Ridge cemetery.

Miss Hallowell will be remembered by a great many people in Jacksonville who knew her during her long connection with the State School for the Deaf. She was there for more than thirty years and her services were of the most faithful and efficient kind. The news of her death will be received here with sorrow by the large circle of her friends.

**Leininger.**

Henry H. Leininger of Piper City, Ill., died at Our Savior's hospital at 10:20 o'clock Friday morning after an illness extending over a period of four months. He was taken to the hospital four weeks ago. He was the father of Mrs. Alfred Doolittle of 317 West State street.

Deceased was born in Canton, O., August 14, 1839, and at the time of death was 77 years, 1 month and 22 days old. He came to Illinois about sixty years ago, first settling in LaSalle county. He afterward removed to Ford county.

He was united in marriage Dec. 6, 1864, to Miss Alice G. McPerson, who survives him. Two years ago they celebrated their golden wedding anniversary. Besides his widow the following children survive: Mrs. Jennie I. Doolittle, J. W. Leininger, Storm Lake, Iowa, and George Leininger, Canton, Ohio. Mr. Leininger was for many years a member of the Methodist church. He was a member of the Masonic fraternity and of the Modern Woodmen. During most of his life he followed the occupation of farming. Recently he has devoted all of his time to looking after property interests.

The remains were taken to the undertaking parlors of W. W. Gillham and prepared for burial. They will be taken to Piper City on the Chicago and Alton this morning where funeral services will be held Sunday morning at 9:30 o'clock. Services will be in charge of the Rev. J. H. Sneedaker of the M. E. church at Piper City and burial will be in the cemetery at Tonica at 4 o'clock Sunday afternoon.

**Charlesworth.**

Mrs. Anna Charlesworth died at her home two and one half miles southwest of Arenzville in the northern part of Morgan county Friday afternoon at 12:20 o'clock. Deceased was born in England November 26, 1833. She was united in marriage in that country to George Charlesworth in 1853. They came to this country and directly to Morgan county in 1856. She was the mother of eight children, five of whom preceded her in death. Those surviving are: Mrs. Anna Souzard, Joseph Charlesworth and James

## FUNERALS

## Spaenhower.

The funeral of the late Thomas Spaenhower was held in Union Baptist church near Pisgah Friday and burial was made in the cemetery near by. Mr. Spaenhower, who was born in this county, November 6, 1845, died at his farm home near Roodhouse, October 4, and was therefore nearly seventy-one years of age. The wife of the deceased, Mrs. Lavina Spaenhower, died a year ago. They were married Nov. 29, 1876, and their home life was especially happy. Mrs. Spaenhower was in ill health for three years prior to her death and the husband's illness covered a period of five years, as he was a sufferer from leakage of the heart. Both husband and wife bore their sufferings with the greatest fortitude.

Until about twenty-five years ago Mr. Spaenhower was a resident of the Pisgah neighborhood. At that time he purchased the Edwards farm near Roodhouse and that was the family home until his death. Although Mr. Spaenhower never united with any church, he had faith in God and his many kindly acts and righteous manner of living gave him the respect and confidence of those who knew him. He leaves behind him the record of a life well spent. Two children were born to Mr. and Mrs. Spaenhower but died in infancy. The surviving relatives are two sisters, Mrs. Martha Hall of Jacksonville, and Mrs. Emily Bowyer of Peoria; four brothers, John, of Alexander; Riley and Allen, of Pisgah, and James of Woodson.

DUNLAP HOTEL, JACKSONVILLE, ILL.

WEDNESDAY, OCT. 11TH

One day only, and return every 28 days. Hours 10 a. m. to 3 p. m.

Consultation and Examination Free.

After taking a few month's treatment from Dr. C. W. Carson, the Chicago Specialist, I am much better. In fact, I feel better than I have for ten years. Sleep well, do not have dizzy spells, heart beats more regularly, am not nervous, bowels are regular. Do not have strange feelings in my head any more and can work much better. I can recommend the Doctor to any one afflicted with stomach and nervous trouble. Will be glad to answer any letters. Mrs. M. L. Southern, R. F. D. No. 2, Viola, Ill.

I was troubled with kidney and bladder trouble for several years and had doctored for two years without any benefit. Was advised to consult Dr. Carson, the Chicago Specialist. After taking his course of treatment can say I am better than I have been for ten years and am cured of all my old trouble. Will answer any questions in regard to my trouble. B. L. Spencer, Manchester, Ill.

Quite a number of years ago, I had stomach trouble so badly that I was unable to eat anything and also had been given up by other doctors. I called on Dr. C. W. Carson, the Chicago Specialist. He said that if I would do my part that he felt sure that I could get cured. I am glad to say that for the last seven or eight years I have been able to eat most anything; I want without any distress whatever, and work hard all the while, showing that the cure is complete. Mrs. D. Zuercher, Havana, Illinois.

I was troubled with stomach and bowel trouble for eight years and the pain had become so bad that I was advised by others to have an operation to obtain relief, but dreading an operation I consulted Dr. C. W. Carson, the Chicago Specialist. After taking his treatment I am free of all pain and can say I am cured as I feel perfectly well. Will be glad to answer any questions. Mrs. Arthur Reynolds, Beardstown, Ill.

I suffered from piles for a number of years. Was advised to consult Dr. C. W. Carson, the Chicago Specialist, which I did and am glad to say that he cured me without an operation. To anyone suffering from piles can heartily recommend his treatment. J. A. Shultz, Galesburg, Ill.

I suffered severely for a great many years with piles, both bleeding and protruding, so that at times, was not able to work. Had been operated upon twice and they soon returned worse than ever. I took Dr. Carson's treatment some time ago and can say that I feel like another man in every respect and am thoroughly cured of my trouble and will gladly answer any inquiries. W. F. Kormeyer, R. ## LOS ANGELES CHURCH PREPARES FOR PASTOR

Rev. Howard D. French Formerly of This City Will Begin Work There—Church Has Wide Field.

A Los Angeles paper contains the following notice of the program of church events arranged in honor of Rev. H. D. French, recently called to the pastorate of the Congregational church there. A picture of Mr. French is also given.

Rev. Howard D. French has been called to the pastorate of the Church of the Messiah, the Congregational church located at Washington street and Van Ness avenue. This pastorate was left vacant by the resignation of Rev. Stanley Foss Fisher, who went to the Congregational church at Fall River, Mass.

"The Church of the Messiah is one of the newer Congregational churches of Los Angeles, having been founded in 1907. Its location is an important one being in a rapidly developing section of the city. It numbers among its members adherents of many denominations, and it ministers to a wide section. The church has a beautiful edifice, a fine choir, and the many-sided ministry of Mr. Fisher commended it to the most favorable consideration of the residents in that vicinity.

"The church is planning as a welcome to its new pastor a 'church week' to be held from October 8 to 15 inclusive. It will begin with a rally service for the Bible school on the morning of October 8, and will close with a twilight communion service on the afternoon of the 15th ult. A fellowship service will be held Monday evening with addresses from representative Congregationalists of the city. There will be a church reception on the following Tuesday a 'home-coming' meeting of the members of the congregation on Wednesday and gatherings of various interests of the church on the remaining nights of the week.

"Mr. French will preach tomorrow in the Church of the Messiah on the subject of 'The Mind of Christ,' and in the evening on 'A Strange Call.' Mr. French was born and reared in Chicago, is a graduate of Amherst College and Yale Divinity School, and has held both Congregational and Presbyterian pastorates in the East. His last charge was in Jacksonville, Ill.

Rev. R. A. Rapson of Kansas City, Mo., has been called to the pastorate of the Roodhouse First Baptist Church according to an item which appeared in the Roodhouse Record. Rev. Rapson preached Sunday morning and evening at the Roodhouse church and the membership was favorably impressed with him. He has had ample training and wide experience and his work in Kansas City was of a very successful kind. Rev. Rapson's pastorate will commence early in November, it being the expectation that he and his family will take up their residence in Roodhouse in the course of the next few days.

## REPUBLICAN SPECIAL TRAIN COMES THURSDAY

Party of State Candidates Will Reach City in Time for Night Meeting.

The itinerary of the Republican candidates' special train just issued by the Illinois state central committee shows that the party will be in Jacksonville next Thursday evening, October 12, arriving over the Wabash at 8:50. The party will include Colonel Frank Lowden, John B. Oglesby, L. L. Emmerson, Edward J. Brundage, Len Small, Andrew Russel, Medill McCormick, and William E. Mason. In addition to the candidates there will be the famous fife and drum corps of the G. L. Nevius post No. 1 G. A. R. of Rockford, and "Chin-chin," the smallest G. O. P. trick elephant in the world. A meeting will be held in Jacksonville after the arrival of the train at a place to be announced later. The candidates special train will leave Alton at 7:30 o'clock Thursday morning and among the cities where stops will be made are Granite City, Edwardsville, Mt. Olive, Taylorville, Auburn, Virden, Girard, Nilwood, Carlinville, Greenfield, Carrollton, Jerseyville, White Hall, Winchester and Chapin.

### MRS. PERCY W. STEPHENS INJURED BY FALL TO BASEMENT

Wife of Former Pastor Here Suffers Painful Injuries in Chicago Store.

Friends in the city have received word of an unfortunate accident which recently befell Mrs. Percy W. Stephens, wife of the former pastor of First Baptist Church here. The injuries are of a painful but not serious nature, and Mrs. Stephens is able to be about the house.

Mr. and Mrs. Stephens were making some purchases in a Chicago hardware store when a workman in the basement raised a trap door just behind where Mrs. Stephens was standing before a counter. Mrs. Stephens was cautioned by a clerk not to step back but became confused and stepped directly into the opening and fell to the basement below. The injuries were at first thought to be slight but when an X-Ray examination was made it was found that there were two fractures, one at the elbow and one in the shoulder of the right arm. It will probably be several months before the injuries are entirely healed. Mrs. Stephens' many Jacksonville friends will be sorry to learn of the accident and will hope for news of a speedy recovery.

### HORSE MEN NOTICE.

## LINCOLN STEFFENS COMING HERE

Announcement was made Friday by a committee of the Chamber of Commerce that Lincoln Steffens, well known lecturer and writer, will deliver a lecture to Jacksonville business men some time about the first of November. Announcement will be made at a later date as to the time and place of the lecture. Steffens, who is making a tour of the middle west and addressing business men's organizations in the larger cities, will have as his theme, "Mexico." He has recently spent a period of six months in Mexico making a study of the conditions there, and his treatment of the subject will be interesting and instructive. He will speak in Springfield prior to his visit here.

### SUPREME COURT

#### DISMISSES APPEAL

Springfield, Ill., Oct. 6.—The appeal in the case of Walter Grant and others against the city of Decatur, involving the right of women to vote at local option elections, was dismissed by the supreme court today. Decatur was voted dry territory at the election April 4. Plaintiffs declared that if the women's votes, which they contended were illegal, had been eliminated it would have gone wet.

### ELECT OFFICERS.

At a recent meeting of the Woman's Benefit association of the Macabees the following officers were chosen:

### PART OF DISTRIBUTORS

#### SIGN SIX MONTHS CONTRACT

New York, Oct. 7.—Milk distributors handling one-third of the supply of New York City early this morning signed six months contracts with the Dairymen's League providing for an increase of 45 cents a hundred pounds in the price of milk. Announcement that a settlement was reached was made by John J. Dillon, state commissioner of foods and markets, the accredited representative of the league.

### COMPLETE TENTATIVE PLATFORM

Boston, Mass., Oct. 6.—The tentative draft of the platform which will be submitted at the Republican state convention here tomorrow was completed tonight. It adopts as its watchword "America for all Americans; all Americans for America," and advocates a preparedness program for land and sea "which shall insure our integrity and provide defence from aggression by other nations that we may live in honorable peace and amity with all the world."

### UNDERWOOD SPEAKS

Cincinnati, O., Oct. 6.—United States Senator Oscar W. Underwood in an address at the opening of the Democratic campaign here tonight, devoted most of his time to the efforts of the tariff law which bears his name, saying that it had proved a benefit upon American labor and industry. "Industrial conditions were improving just before the great war broke out," he said, "and these conditions continued up to the very declaration of war."

### DIES AT WHEEL OF AUTO.

Omaha, Neb., Oct. 6.—F. S. Trullinger, a real estate dealer, died at the wheel of his automobile here tonight while the machine was speeding down a steep hill. Mrs. Trullinger, vainly attempted to stop the machine. At the foot of the hill the runaway car ran into another automobile without injury to the occupants. Physicians said death was due to apoplexy. He was 33 years old. Trullinger's parents, Mr. and Mrs. J. W. Trullinger, of Shenandoah, Ia., have been notified.

### HENRY W. WOODRUFF DIES.

New York, Oct. 6.—Henry Wyckoff Woodruff, for many years prominent in the theatrical world, died here tonight after an illness of several weeks. Mr. Woodruff was born in Jersey City, and was 48 years old. He began his stage career at the age of nine as a chorus boy in a juvenile "pinafore" company.

### COL. MINTOCH DIES.

Baltimore, Md., Oct. 6.—Col. David Gregg McIntoch, one of the most distinguished lawyers of Maryland, and a famous Confederate soldier, died suddenly this evening at his home at Lawton, of acute indigestion. On the retreat to Appomattox he commanded two battalions of artillery. He was a close friend of Jefferson Davis.

### ENJOYED WEINER ROAST.

A merry company of twelve, including young people from the clerical force of Hillierby's and Depp's, went to the home of the Misses Mayfield, west of the city Thursday evening and enjoyed a weiner and marshmallow roast. The trip was made by automobile truck.

During the mad scramble of the White Sox for pennant honors we lost all trace of the Cubs. However, we are pleased to report that the Trainers are still in the league, even without the services of the Great Zim.

## SOCIAL EVENTS

### Friday Social

ENTRIES COME DAILY  
FOR HORSE SHOWEXHIBIT PROMISES TO BE BIG  
FEATURE NEXT WEEKScene in Central Park Will Recall  
Morgan County Fair Days—Con-  
cessions Include Interesting At-  
tractions—The Auto Show.

The horse and colt show to be held in connection with the Fall Festival and Home Coming next Monday and Tuesday in Central Park bids fair to be one of the most interesting events of the entire week. H. Jay Rodgers of the Chamber of Commerce is daily receiving entries for the different classes and much interest is being shown by farmers and stock men thruout this and adjoining counties.

The older inhabitants will recall with interest and pleasure the annual horse shows held in Jacksonville, especially those held in connection with the county fair at the old fair grounds west of town. With the advent of paved streets, making it difficult and in fact somewhat dangerous to properly display driving and saddle horses, these shows have been discontinued in this city. The several shows of this character however, which are annually held in the smaller communities in the county are largely attended and prove highly attractive to the citizens of the surrounding community as well as the citizens of Jacksonville who attend in large numbers.

The happy idea evolved in connection with the Fall Festival of having the large arena constructed in Central Park obviate the objections mentioned and affords an excellent show place for the various classes of entries. Horsemen who have been interviewed are enthusiastic over the place provided for the exhibit. Ample seats will be provided and the space reserved for the show will be fenced off from the rest of the park.

The list of prizes offered for competition is certain to secure the highest grade of stock in the county and the fact that no entry fee is to be charged should result in numerous entries. Parties desiring information in regard to any feature of the show should write or phone the Chamber of Commerce for particulars.

## Ladies Rest Tent

The large tent erected by the woman's club will be devoted to the interests and accommodation of ladies and children and a cordial invitation is extended to all visitors to make use of the conveniences offered. Thursday will be observed as "Ladies' Day" at the festival and an excellent program is being arranged by a committee from the county federation of woman's clubs. The Mercedosa Concert Band will give special concerts during the day and speeches and other features will mark the day. The woman's tent will also contain several exhibits provided by community organizations.

## Concessions

In addition to the big ferris wheel and the jumping horse carousel, the committee have let space to several clean, attractive concessions such as gave life and color to the old fashioned county fair. In addition to the out of town shows that will exhibit, a committee from the U. C. T. will conduct an old fashioned country store which will evoke much amusement. The children will be particularly interested in the fat people's side show consisting of a man weighing 700 pounds and his wife who tips the scales at 500 pounds; and the duck pond. The exhibit of a man-eating shark, similar to those which recently made their appearance off the Atlantic Coast, will no doubt be well patronized.

## Automobile Show

The entire space adjoining the south yolk of the park will be reserved for a display of the latest models of Automobiles and practically every dealer in the county has arranged for space and will show one or more of his 1917 models. Ample opportunity will be given the public to thoroly examine the workings of the cars on exhibition and this feature of the festival which will last the entire week will prove a great drawing card. If previous like exhibitions held in the city last year can be relied upon as a criterion.

## REGISTRATION DAY.

Voters should remember that there are two registration days, October 17 and 31. Voters should see that their names are on the poll books and thus save a great deal of annoyance on election day. The laws of registration apply just the same to women as to men voters and women who expect to cast their ballots and help in the selection of the next president of the United States should not fail to register.

Women can vote for president, university trustees, member of the board of equalization and county surveyor. They are required to register just the same as men voters. October 17 and 31 are the registration dates.

## SOME FARM THEMES

## The New Corn Grades

There is bound to be a lively protest against the new grades for corn which go into effect December 1st. Grainmen who have been buying and operating under the old grading rules will find some important changes, and besides the grading of the present crop will have to conform, to some extent, at least, with both the old and the newest of rules.

The way the matter now stands there will be a gradual elimination of the loose methods of dealing in corn, with the result that growers will have to shoulder the entire responsibility for low grades. Grain dealers can help the physical appearance of corn but they can't make No. 2 out of No. 4, and it is up to the growers to pay more attention to quality as affecting grades or else take the discounts for lower grades. There was a time when anything having rows of grain on a cob was called corn, but that kind of corn has driven hundreds of dealers to the wall, and it has driven our corn from many good markets. The quicker corn growers see the wisdom of producing good, sound, merchantable corn, the better it will be for all concerned.—L. C. Brown, in The Farmer's Review, Chicago.

THREE CROPS ON ONE  
PIECE OF GROUND

John Groves of Mount avenue, is exhibiting a jar of wax beans which he just gathered in his garden from ground which has been used three times this season. First Mr. Groves planted potatoes early this spring and then drilled in radishes. He dug the potatoes when the vines had died and then planted the beans which are now in bearing. He expects to plow under the bean plants and then add a little phosphate to the land and thinks that the experiment shows how readily land can be made to produce more if handled in an intensive way.

## Some Interesting Experiments

Many former high school pupils will remember Frank Harvey of Markham, son of Mrs. Mike Boddy. Frank has had a varied career since leaving school but he has good ability and has gotten along very well. At present he is carrying on a farm four miles west of White Hall and has had some interesting experiences.

Last year he broke up thirteen acres of sod and the cutworms were so plentiful that several would be found in a handful of dirt. It was useless to plant corn in such ground and yet he wanted to raise a crop there. One day he noticed some blackbirds picking over the ground and the thought occurred to him that they were after the worms so he gathered his chickens, a goodly number, and drove them into the field and started over it with a harrow. The news was conveyed to other blackbirds and soon he had a drove of them along with some other birds and his chickens, and they feasted well on cutworms.

He went over the field a number of times till his neighbors pronounced him foolish but in the end he had no cutworms while others were much troubled.

One year he had 45 acres of corn when the corn louse was active. He invested six dollars in oil of lemon, soaked his seed corn in a solution of it and estimated that it added ten bushels an acre to his crop comparing it with that of others who used no oil of lemon.

## What It Costs to Run A Farm

Operating expenses for the average eastern Nebraska farm, according to surveys made by the farm management department of the University Agricultural College of Nebraska, total very close to \$1500 or from \$7 to \$7.50 per acre.

This figure includes depreciation charges on buildings and machinery and the value of all labor including that of the farmer himself at the rate of wages for hired men. It does not include the interest on the value of the land. On \$100 land, this would be at least \$5 per acre; on \$150 land, \$7.50, or as much as all other expenses combined.

Operating expenses are about the same on all farms with the exception of the extremely large or extremely small farms, regardless of whether or not they are showing a profit. This is evidence that it is impossible to reduce expense of operating a farm below a certain point, and that profits are not made by reducing expenses but by increasing farm receipts.

EVANGELISTIC CAMPAIGN  
TO CLOSE AT LITERBERRYFinal Meeting Will be Held Sunday  
Night—Meeting Successful.

The ten day efficiency and evangelistic campaign arranged by Rev. C. G. Cantrell and which has been in progress at the Literberry Christian church, will close tomorrow night. Rev. O. C. Bolman of Greenville was called to lead in the special work there and the fact that the remodeling work of the Greenville church is not far enough along to permit the services Sunday makes it possible for Rev. Mr. Bolman to remain here. There will be no services tonight but there will be services Sunday, both morning and evening. In the afternoon Mr. Bolman will preach at Oak Ridge at 3 o'clock and it is expected that many from Literberry will go to Oak Ridge for this service and that all the people from that neighborhood will attend the evening service at Literberry. The pastor is anxious that one of the largest audiences of the series greet Mr. Bolman Sunday.

The special services thruout have been very largely attended and interest has been excellent. There will be services at Berea Sunday morning but none in the evening in order to permit the pastor's presence in Literberry. The annual Berea fish fry will occur this evening.

GRACE M. E. CHURCHSupper at 6:30 O'Clock Followed by  
Three Stirring Addresses, Looking  
Toward Every Member Canvass.

Three stirring talks were given at Grace M. E. church Friday evening in preparation for the annual every member canvass Sunday afternoon. Supper was served at 6:30 o'clock to 150 of the church membership and after the meal, the Rev. F. B. Madden called upon the Rev. A. S. Chapman, pastor of Douglas avenue Methodist church, Springfield; the Rev. F. A. McCarty, district superintendent and H. A. Perrin, superintendent of schools.

Mr. Chapman spoke of the problems and opportunities facing the church today. Mr. Perrin, who spoke second, told of the lack of understanding which often exists between the youth and the adult and emphasized the necessity of taking an active interest in the affairs of youth and childhood. Dr. McCarty spoke of the method of conducting the canvass. He said that every member of the church has a place, whether as member of a team or in his home, lending sympathy and encouragement.

## The Three-in-one Majestic

The combination coal, wood and gas Range without too much mechanism; no levers to turn or twist—to get out of whack or be mis-handled.

It is the simplicity of the Majestic Combination that has made it so popular. Not a thing to change in your oven—just turn on the gas. Can be attached to your own Majestic and heat your reservoir (if its on the back end of your range.)

\$7.50

This gas attachment on a new Range is \$7.50. On an old Range \$7.50 plus the time of attaching.

## Renowned Gas Saver Burner

Mixes 40 to 50 volumes of air with one volume of Gas.

REMEMBER—only three gas burners used to heat the entire top, oven and reservoir, and they burn less gas than the top burners only of an ordinary gas Range. The same burners that heat the top heat the oven and reservoir.

#### WILL BUILD COTTAGES.

Charles K. Moore Lets Contract for Two Modern Dwellings—May Build Others in Spring.

Charles K. Moore has let the contract to William Farrington for the construction of two cottages on the lot at the corner of Fayette street and West Lafayette avenue. One of the houses will face to the east and the other to the north. They will be four room dwellings and finished in an attractive way. A very large house on the south part of the same property belongs to Mr. Moore and he plans to have it wrecked and the lumber used in two smaller houses the coming spring. The old house is constructed of white pine lumber of the best grade and Mr. Moore expects to get nearly enough material out of it for the proposed new houses.

#### GRATEFUL TO MR. PECK.

Charles Filkin wishes the Journal to state that he and his family in no way hold George Peck responsible for the accident which happened recently to the little Filkin child. As mentioned in the Journal recently Lillie Filkin, aged four years, was knocked down near the corner of Anna and West streets one evening recently when struck by the automobile driven by George Peck. It happened that the child after dodging a rapidly driven car, ran directly in front of Mr. Peck's car which was going slowly. He was able to stop and the child was not seriously injured. Mr. Peck paid the physician's bill and the Filkin family feel obliged to him for kindness and consideration shown.

### COACH HUFFORD SAW GAME AT BEARDSTOWN

Rushville Comes for Game in Jacksonville Next Saturday.

Coach Hufford of the Jacksonville High school squad was in Beardstown Friday to see the game between Beardstown and Rushville. Beardstown won by a score of 27 to 0. Jacksonville plays Rushville here a week from today. The Rushville team averages over 180 pounds to the man and play a hard game all the time.

Jacksonville was booked for a game with Carrollton at Carrollton today but the game was cancelled. It has been fair week in the Greene county city and school was dismissed for the week and the team was not in training so it was thought best to cancel the game. Word was received of the cancellation Wednesday.

Coach Hufford on receiving word of Carrollton's cancellation gave his men a lay off and no work was done Thursday and Friday. He has been working the men hard and is at the present time developing two back fields and drilling a man for every position in the line. He hopes to have plenty of men in case of accidents when the team begins to play its hard games.

On Monday Coach Hufford will start his men at hard scrimmage and signal drill in preparation for the Rushville game. It is the intention of the coach to develop speed to offset the weight handicap of Rushville.

## TO HAVE BUILDING ASSOCIATION HERE

Application Made to Secretary of State to Authorize Incorporation—Organization Will Create Realty Activity.

Application has been filed with the secretary of state for authority to organize and incorporate the Jacksonville Savings & Loan association. The petition, which was sent to the secretary included the names of A. B. Applebee, H. B. Brady, Thomas V. Hopper, Cleon Bell, Dr. J. R. Harker and J. O. Applebee. The last mentioned, Dr. J. O. Applebee, is the father of Dr. A. B. Applebee of this city and is soon to remove his family from Cuba to Jacksonville. Mr. Applebee has for twenty years been connected with the building and loan association in his home town and for eighteen years of that time has been the secretary. He is therefore fully conversant with the work and it is understood that he will be secretary of the new organization here.

Dr. Applebee has been active in effort to establish a local association. The Jacksonville Savings & Loan association will be organized with a capital of \$1,000,000. This sum is not at all out of reason when the history of building associations is considered. The Beardstown association some years ago was organized for \$500,000 and in ten years' time an increase in capital was necessary. The issuance of 500 shares of stock annually, the minimum which the law permits, will require a \$500,000 capital in ten years' time.

Bankers and others interested in financial affairs approve the plan of a local building association, as such an organization is of benefit to a community in many ways. There are frequently applications from persons who desire to borrow money for building homes or the purchase of homes and the loans are not of a kind that the bankers can handle. It is expected that the organization of the local association will create some new activity in Jacksonville real estate and result in the building of a considerable number of new homes.

## ALL READY FOR BIG OPENING GAME

BOSTON AND BROOKLYN IN INITIAL GAME TODAY

Leonard and Marquard Opposing Twirlers in First Battle for World's Baseball Supremacy—Weather Ideal for Game.

Boston, Oct. 6.—This city, the home of winning world's series baseball teams, awaits the opening of the 1916 classic tomorrow, between the Brooklyn Nationals and Boston Americans, with the calm confidence that comes from faith in its playing representatives and the unbroken string of victories in past contests. The optimism and fighting spirit that the Brooklyn club and its accompanying band of supporters brought to town tonight added interest to the impending struggle. While the betting tonight is ten to seven on the Red Sox with but little Brooklyn money in sight, the average supporter of the Boston Americans is far from predicting a walk-over for the winners of the American League race. It is conceded Brooklyn will give the Boston combination the stiffest kind of a battle before they will admit defeat.

While the majority of the fans gathered here hail from New England and New York, hundreds of enthusiasts from all parts of the country are here also awaiting the umpires' call or "play ball" to set going the machinery of the 1916 world's series.

Every hotel in the city tonight is thronged with baseball followers who are willing to endure inconveniences, provided they are assured a place to eat and sleep for the next few days. The weather prediction calls for an ideal Indian summer day, tomorrow moderately warm and with little if any wind.

Crowds of men and boys gathered outside the wall of Braves Field for an all night vigil, under brilliant moonlight and in a warm balmy atmosphere that made overcoats and heavy wraps unnecessary.

As has been the custom in past years, the gates leading to the reserved sections of the stand and bleachers will be opened early tomorrow morning and it is apparent these sections will be filled to overflowing hours before the games begin at 2 p. m.

President J. J. Lannin of the Boston Club stated that he had been forced to buy back at a premium, some tickets which he needed for personal friends.

Several speculators were arrested during the afternoon for trafficking in the tickets at advanced prices. Soon afterward Presidents Ban Johnson of the American League and John K. Tener of the National League arrived from New York for the opening game were assigned and the announcement made that the infield fly rule of the two leagues would be observed under American League regulations when the clubs were playing at the Boston park and under the National League code at Brooklyn's park.

All the Boston Club players were out for practice during the afternoon at Braves' field, home of the National League club, where the games in this city are to be played, getting accustomed to the lights and shadows and huge distances of the largest park on major league circuits. Every player except Capt. Jack Barry and George Foster who will not participate in the series owing to injuries, reported. The Brooklyn players and officials arrived this evening accompanied by some of the "Brooklyn Booster's Club." The invading club was met at the station by a large crowd of local fans who cheered the players as they hurried to their hotel.

All indications point to a battle of left handed pitchers in the first game for it appears to be a settled conclusion that Manager Robinson will send Marquard to the mound for Brooklyn, while Manager Carrigan will rely on Leonard. If Leonard pitches, Outfielder Casey Stengel will not be in the Brooklyn lineup and the probable batting order will be Brooklyn Nationals, Johnston, rf; Daubert, 1b; Meyers, cf; Wheat, lf; Cutshaw, 2b; Mowrey 3b; Olson, ss; Myers, c; Marquard, p.

Boston Americans, Hooper, rf; Janviri, 2b; Walker, cf; Hohlitzell, 1b; Lewis, lf; Gardner 3b; Scott, ss; Carrigan, c; Leonard, p.

The umpires will be stationed as follows: Connolly (American League) behind the plate; O'Day, (National League) on the bases; Dineen, (American League) left field; Quigley (National League) right field.

## WINNERS IN PRIZES FOR BEST CUT POSTERS

The students of the David Prince school have done some very creditable work on the Fall Festival posters. The winners in the 8th grade contest were first prize, one dollar, Helen Ellis; second prize, seventy-five cents, Ollie Parker, Jr.; and their work may be seen in the window of the Peacock Inn.

The first prize of one dollar in the seventh grade was won by Vivian Pires, the second prize, seventy-five cents by Virginia Cumming and these may be seen in T. M. Tomlinson's window. The Chamber of Commerce very kindly offered the prizes.

The value of commercial art may be seen as the prize of one thousand dollars was offered this summer in a New York electrical show poster contest.

Grover Moore of Carrollton was transacting business in the city yesterday.

## WATER ROUTES TO BE THEME AT CONFERENCE

Fifteenth Annual Convention of Upper Mississippi River Improvement Association to be Held This Month.

Quincy, Ill., Oct. 6.—The importance of water routes as a safeguard to the transportation facilities of the country is to be emphasized at the fifteenth annual convention of the Upper Mississippi River Improvement Association, according to the call for the gathering just issued by L. B. Boswell, of Quincy, secretary of the organization. The convention will be held in LaCrosse, Wis., Oct. 25 and 26.

The governors of Illinois, Minnesota, Iowa, Missouri and Wisconsin, mayors of cities and towns in those states and all business and commercial associations interested have been invited to send delegates. Those appointed by governors will represent their states at large. Regarding the importance of the convention the call says:

"The Interstate Commerce Commission recently decided, in the intermountain rate case, that owing to the closing of the Panama Canal, due to the slides, and also from the effect of the European war, competition has ceased between the Atlantic and Pacific Coast points via the Panama Canal route. Under this decision the trans-continental, all-rail lines were obliged to advance their rates between the coast points."

"This brings home to all shippers, very clearly, the beneficial effect of water routes and waterway competition, and the necessity of keeping open to commerce all of the important rivers, canals and other navigable waterways as the principal basis of competition in this country."

"Another object lesson came unexpectedly during the close of August, in the threatened strike of the railroad brotherhoods, which has undoubtedly impressed itself upon the great body of shippers."

"It is plain to be seen that, if the strike had occurred, thus tying up all railroads in the United States, the only avenue of transportation left opened would have been the waterways."

"The dependence of the people upon these water routes, and the fact that no one can tell at what time they may become the principal arteries of commerce as a matter of relief, or defense, establishes most clearly their great value, and that in these waterways lies not only the principal source of competition in the cost of transportation, but, added to this, they may be the only mod eol giving relief to the people in cases of dire distress, or some unexpected calamity. They are a reserve force of the most valuable nature and it would be unfortunate if these rivers and canals were not improved so as always to be open for utilization and protection by and for the people."

Officers of the association are: President, Thomas Wilkinson, Burlington, Iowa; Treasurer, John P. Eckart, Guttenberg, Iowa; Secretary, Lewis B. Boswell, Quincy, Ill.; vice presidents, John Blaul, Burlington, Ia.; C. F. Perry, Quincy, Ill.; P. M. Hanson, St. Louis, Mo.; B. J. Mosier, Stillwater, Minn., and W. Torrance, LaCrosse.

## OBSERVE YOM KIPPUR

New York, Oct. 6.—Following closely upon the Jewish New Year's festival comes the fast of Yom Kippur, on the Day of Atonement which began this evening and continues until tomorrow evening. This is celebrated on the tenth day of the month Tishri of the Hebrew calendar. The days intervening between the New Year's Day and Yom Kippur are known as Asserases Yemi T'Chavch, the ten penitential days, which are devoted to repentance and prayers.

Yom Kippur is considered the most important event in the religious life of the Jewish people and is more strictly and generally observed than any of the other fast days in the Hebrew calendar. The celebration is characterized by a total abstinence from all manner of labor or business for the twenty-four hours during which it extends, only the most absolute works of necessity or charity being permitted. For the same period the observant Jew does not partake of food or drink of any kind, the strictest manner of fasting being enjoined upon him. None of the orthodox section of the Jewish people consider themselves exempt from this fact, except the ill, nursing mothers, children and the very aged, and there are not many of the latter who avail themselves of this exemption. The fasting begins at sunset this evening and the fast is not broken until after the close of the services in the synagogues at sunset tomorrow evening.

## CHICAGO AUTOISTS

Mr. and Mrs. George M. Barnhart of 1600 South Main street are enjoying a visit from Miss Jessie Harding and her mother of Chicago. The ladies drove down in a Buick car and arrived in good shape without incident or accident. They are enjoying their visit very much and think for a suburban town Jacksonville is decidedly attractive.

Mr. Albert Henry and Miss Lillian Cutler both of Princeville motored to Virginia Wednesday and were married at the Presbyterian Manse. Both are members of Rev. Mr. Wiles former parish.

B. P. Petefish of Aaron, Ark., is the guest of his brothers here.

Funeral services for the late Mrs. Jennie Looker Perrin, wife of Ben Perrin, was held at the Presbyterian church Thursday, Rev. Max B. Wiles officiating. Burial was in Walnut Ridge cemetery.

The Sweatman sale of pure bred hogs which was held in this city last Saturday was well attended. The highest price paid for a hog was \$41. Twenty six hogs sold brought an average of \$28.40. Many buyers from a distance were present.

The home of Jake Cramer is under quarantine two little daughters are suffering from scarlet fever in a mild form.

Edward Kroac and Jas. W. Garner were Chapin visitors this week.

Prominent speakers of the Democratic party will open the county campaign tomorrow. They will visit each town in the county and will entertain the people with music and speaking, winding up the trip at Beardstown, where a display of fireworks will be given.

## QUESTIONS ON THE SUNDAY SCHOOL LESSON. By Rev. T. S. Linscott, D. D.

8. Contrast the compliments paid to the governor by Tertullus and Paul, and state wherein Paul excels, both in truth and in skill.

9. What points did Paul urge in his defense, to the accusations against him?

10. What so called heresy did Paul admit of?

11. What is today "heresy" and what is "orthodoxy"?

12. What is implied in "having a conscience void of offense toward God and men" and how can such a condition be brought about?

13. How does Paul show in his defense that the heresy they accuse him of, is the Jewish doctrine which they have forsaken?

14. Verses 22, 23. Who was Ly-sias, the chief captain that Felix wanted to examine, and what part taken in this matter?

15. Verses 24, 25. Why did Felix send for Paul?

16. Apart from the person of Christ, what are the chief things which Christianity stands for?

17. What is Christ himself the embodiment of in his personal character?

18. What made Felix tremble when Paul urged upon him righteousness and the judgment to come?

19. Verses 26, 27. What part does money generally play in preventing successful adults from becoming Christians?

20. When a man trembles on account of his sins, does that necessarily add anything to his credit?

21. What was a besetting sin of Felix and how would you size up the character of any man who wants to be bribed to do right? (This is one of the questions which may be answered in writing by members of the club.)

## CITY PLACED NEW

FIRE HYDRANT

The city water department on Friday set a fire hydrant in Broadway Alley at the intersection of Court street adjacent to Barr's laundry. For several days Mr. Barr has been having trouble getting sufficient water to operate his laundry and he feared he would have to shut down. The main from which he gets water is a four inch main running to a dead end between West State and West Court streets and gets clogged with mud. It is thought that by placing the fire hydrant it can be flushed frequently and the trouble eliminated. The placing of the hydrant also will be a wise move in fire protection as the nearest one to that vicinity is at the northwest corner of Central Park.

Arthor Mann of Roodhouse was a business visitor in the city Friday.

ILLINOIS WINS  
A HARD GAME

DEFEAT EASTERN ILLINOIS NORMAL BY SCORE OF 34 TO 0.

Game Full of Fumbles—Wilson Dashes 75 Yards for Touchdown—Frisbie, Mitchell and Whisler Play Good Game.

Illinois College played her first real football game of the season on Illinois field Friday afternoon and defeated Eastern Illinois Normal by a score of 34 to 0. While Eastern Normal did not score she played a hard fast game thruout and never quit trying until the last whistle blew.

Illinois players did not find themselves until the game had been going several minutes. When they did they played good hard football. There was considerable fumbling but fortunately it did not result disastrously.

Coach Harmon was not compelled to uncover much of his repository of plays. The team confined itself mostly to line plays, short end runs and forward passes. Capt. Frisbie was especially successful in receiving the pass and made several substantial gains as did B. Whisler and Mitchell.

The visitors evidently had been tipped off to Frisbie for most of their attack was directed at Rendlemen. Those that they started at Frisbie were usually smothered before they got started. Jones made big gains thru the line for Illinois while B. Whisler and Pierce also made good gains on end runs. Wilson got away for a 75 yard run for a touchdown. Valentine also did good work in stopping plays. During the last quarter Coach Harmon sent in nearly a whole team of substitutes.

Normal displayed some good football in spots. The back field was fast and several times made first down on end runs and line plays. Moran the 220 pound center was a bear and certainly played up to his reputation. Edgington and Hawks also played a good game. Hawks especially being successful in skirting Illinois' ends for gains.

Mitchell had his nose injured but remained in the game until the last quarter. Aside from this injury Illinois came thru the game in good shape.

First Period.  
Illinois kicked to Normal on the fifteen yard line. Normal tried end runs and line plays for 6 yards and then punted to Illinois in the center of the field. Jones hit the line for 25 yards. Illinois was unable to gain thru the line and Wilson tried a forward pass which failed and the ball went over on Normal's 22 yard line.  
Normal made 2 yards thru the line and then made first down on a short end run. Normal failed to gain and the ball went to Illinois on the 35 yard line. Jones made seven yards and a penalty gave Illinois first down. Wilson made another ten yards on a short end run. On three plays by Wilson and Jones, the latter went over for a touchdown. Frisbie punted out to Pierce and then kicked goal. Score Illinois, 7; Normal, 0.

Illinois kicked to Normal on the 30 yard line. Normal made four yards on two line plays and lost a yard on an attempted end run. Normal kicked to Illinois and the ball was downed on the thirty yard line. Illinois lost on an end run and Frisbie kicked to Normal on Illinois' 40 yard line. Normal was penalized fifteen yards for holding. Normal kicked to Wilson who carried the ball to the 30 yard line before being Normal failed to gain on an attempt downed. Jones made five yards thru the line and B. Whisler added three yards more. Wilson passed to B. Whisler for 25 yards when time was called for the first period.

Second Period.  
Illinois fumbled and Normal recovered on her own 30 yard line. Normal failed to gain on an attempt at end and tried a forward pass which Frisbie intercepted. Illinois' ball on Normal's thirty yard line. Wilson passed to Frisbie for twenty yards putting ball on Normal's 10 yard line. Jones went over on the next play for a touchdown. Frisbie punted out to Pierce and then kicked goal. Score, Illinois, 14; Normal, 0.

Illinois again kicked to Normal and downed the ball on Normal's 30 yard line. Normal tried the line but could not gain and kicked to Pierce in the center of the field. Illinois lost five yards on a fumble but recovered the ball. Illinois made two yards on an end run and B. Whisler made twenty yards on a fake. Wilson and Jones made seven yards and Illinois was penalized five yards. Illinois got 12 yards on a forward pass and then lost the ball on downs on Normal's 20 yard line. Normal made five yards thru the line. Mitchell was injured in the play but remained in the game. Normal tried the line twice and failed to gain and kicked to Wilson who carried the ball to the center of the field. Illinois failed to gain thru the line and kicked to Normal and the runner was downed in his tracks on the 25 yard line. Normal made seven yards on two plays at the line and then lost the ball on downs.

Illinois tried a forward pass which failed. Wilson then skirted Normal's left end for 14 yards for first down. Five yards was gained thru the line and Normal got the ball on downs on her own two yard line. They advanced it four yards when time was called for the half.

Third Period.  
Normal kicked off to Wilson who carried the ball back to the 32 yard line. Wilson fumbled the ball and Normal recovered on Illinois' 27

JOURNAL TO GET WORLD SERIES BASE

VIRGINIA U. WILL  
PLAY YALE FRIDAY

Intersectional Contests Will be Feature of Eastern Football Games.

New York, Oct. 6.—Intersectional contests will be the feature of eastern football games to be played tomorrow. Five of the leading Southern University elevens will appear on 'varsity gridirons in this section to test their prowess against Eastern teams.

The University of Virginia will play Yale, over which it triumphed by a 19 to 0 score last year. Princeton will have North Carolina as an opponent; West Virginia Wesleyan meets Washington & Jefferson; Western Maryland faces Fordham, while the Army will meet Washington & Lee University.

The West also will be represented for Ohio University will oppose Syracuse in the stadium of the latter university.

The records of the invading southern and western elevens last year show great scoring power and strong defensive strength, and as they have retained a majority of the 1915 vets, it is expected the home combinations will be forced to uncover something more than practice football if they are to hold their own or win from the visiting elevens.

Among the more important East vs. West games, Harvard will meet Tufts; Pennsylvania will play Franklin & Marshall; Navy faces Georgetown; Colgate tackles Maine; Brown has Trinity as opponent; Williams opposes Union; Columbia lines up against Hamilton; Pennsylvania state meets Bucknell and Lafayette plays Swarthmore.

EMMA MAGOWAN WINS  
TWO YEAR OLD STAKE

Emma Magowan won the Lexington, the oldest two year old stake race in handy fashion at the Kentucky Trotting Horse Breeders' Association meeting here today, trotting the two heats in 2:07 1-2 and 2:07 3-4 which makes it the third fastest two year old race on record. Her best heat was only half a second slower than the best heat by The Real Lady in winning the Futurity.

The 2:13 trot developed the hardest race five heats being required. Baby Doll got first money by winning the second, third and fifth heat.

In the trial to beat 2:17 1-2 trotting Buck Watts (2) b. c. by General Watt trotted in 2:09 1-2, the fastest mile of the year by a two year old colt.

ALL THE CONFERENCE  
ELEVEN PLAY TODAY

Race for Missouri Valley Title Now Held by Nebraska, Will Be Fully Under Way.

Kansas City, Mo., Oct. 6.—With the games tomorrow all of the football teams of the Missouri Valley conference will have opened their 1916 season and the chase for the valley title, now held by Nebraska thru last year's string of victories, will be fully under way. All of the conference elevens will play tomorrow, excepting the Kansas Aggies, who met Southwestern at Manhattan today. Nebraska, Missouri and Washington will be opening their schedules with games on their home grounds, the corn huskers playing Drake in the first game between two conference teams, the Tigers contesting with Central College of Fayette and the St. Louis squad meeting Rose Polytechnic. Ames will play Highland Park at Ames.

Kansas will go to Urbana tomorrow to play Illinois in one of the few contests between members of the big nine and the Valley conference. The last time the Jayhawkers and the Illini met, the Kansans took the long end of the score. But that was twenty four years ago, and hopes for victory are not particularly bright at Lawrence.

Chief interest of course, in the championship, centers in the Nebraska-Drake games with a new coach at each place and Nebraska having lost many of last season's stars, tomorrow's combat will give football enthusiasts their first opportunity of the season to view Stewart's team. Lincoln reports have been optimistic and Drake, beaten last year 48 to 13, is not overly confident, particularly, in view of the slim victory over Penn College last Saturday.

Ames should experience little difficulty with Highland Park as the Iowans' opening victory over the Iowa Normals indicates Mayser is building a strong machine.

A Discovery  
about your  
TEETH

Tonight, if you will closely examine your teeth after brushing them, you will make a surprising discovery. Though you have been cleaning your teeth regularly, you will find an accumulation of tartar on the enamel and bits of food deposit hiding between the crevices. Your dentifrice has not been REALLY CLEANING!

Loss of teeth is usually due to one of two conditions—Pyorrhea or Decay—both of which ordinarily develop only in the mouth where germ-laden tartar is present.

CLEAN your teeth—REALLY CLEAN them! Senreco, a dental specialist's formula will do it. Senreco embodies specially prepared, soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea. Go to your dealer today and get a tube of Senreco—keep your teeth REALLY CLEAN and protect your self against Pyorrhea and decay. Send 4c to Senreco 304 Walnut St., Cincinnati, Ohio, for trial package.

## YOU'RE BILLIOUS! LET "CASCARETS" LIVE LIVER AND BOWELS

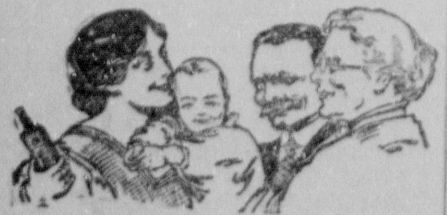

Don't Stay Headachy, Constipated, Don't Stay Headachy, Constipated, Stomach Sour.

Get a 10-cent box now. You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold. Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach, sweet, liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.—Adv.

## Here's a Good Night-Cap For Croupy Children

Foley's Honey and Tar Meters Croup Quickly and Clears the Throat of Choking Phlegm.

More dreaded than an alarm of fire by night is the hoarse brassy cough of

"Oh, but that Foley's Honey and Tar is a wonderful thing for croup. Thank Heaven I had it on hand."

## THE JOY FAMILY IN MORGAN COUNTY HISTORY

In the foremost ranks of the honored names of Morgan county none are more conspicuous than that of Joy. The family tree has branches of great age and from information kindly supplied by one of the oldest members of the family living, Lyman F. Joy of Joy Prairie, and from a book loaned by him a brief and incomplete sketch is attempted.

For five centuries the name has been borne with honorable distinction in England and Ireland. It was probably derived from the locality, Jony in Normandy and may have reached England in the form of DeJony. It underwent many modifications passing from Joy to Jay, Joye, Joie, Jaine, Jaye and even Gee. (A family named Gee lived in this city and kept the Home Woolen Mills boarding house in the 60's and early 70's. Ed Journal.) William was vicar of Tibenham in Norfolk in 1395. In 1441 Thomas Joye was rector of Fritton in the same shire. Wm. Joy was archbishop of Tuam in 1487. George Joye, a fellow of Peter House College, Cambridge, 1517 was one of the most learned and devout leaders in the great Protestant Reformation in England and was associated with the saintly Wm. Tyndale in the translation of the bible into the English language. The statue of Baron Henry Joy stands in the hall of the Four Courts, Dublin. For 500 years Norfolk has been the seat of a family named Joy.

The earliest mention of Thomas Joy, the emigrant ancestor of the most of the Joys in this country, is found in the records of the town of Boston, Feb. 20, 1637. He was one of the brave men who followed the occupants of the Mayflower a few years before. He was an architect and builder.

Just one quaint item from the records of this town of Boston. There had been a fire which had destroyed some of the houses of Thomas Joy and as the selectmen wished to enlarge the street he had some difference "relating to satisfaction he required for enlarging the streets where his houses were laid waste by fire." A committee to whom the matter was referred gave a righteous decision. He was married in 1637 to Joan Gallop and was the father of a large family. One of his sons was Samuel Joy and the name of Samuel has been handed down to the ninth generation. He had one son Samuel, and he a son James who had several sons, John Pickering, Charles, James, Frederick and Sylvester in addition to others. The sons of John Pickering were Lyman Frederick, born Feb. 3, 1833; Henry, Walter, James, Allen, Charles Bigger and Clarence. Lyman F. and Charles B. still live on Joy (Prairie) and Allan is now in Chicago; the others are dead. Lyman has one son, Edward and 2 daughters, and Charles has one son, Charles, Jr. James Frederick lived in Michigan an rose to great eminence in railroad circles being at the head of a number of colossal enterprises. Sylvester was the father of Emma, Mrs. E. P. Dunbaugh; Martha, Mrs. Bruce Dolson, deceased; Florence, deceased; Richard P. of this city; Hannah, Mrs. S. W. Carter of this city; Sarah C., Mrs. Bruce Dolson; James C. of Joy Prairie. Richard P. of this city has one son, Donald.

Charles was the father of John B. of Joy Prairie, deceased, leaving one son, Harold; Charles F., a prominent attorney of St. Louis, no children, and Edwin of San Francisco.

In 1837 Lyman Joy's grandfather, James Joy, and Lyman's uncle, Charles, came west and investigated the state of Illinois and county of Morgan. Their home was in New Hampshire and they had a long trip and a tedious one. Land was then to be had at twelve dollars an acre and at that price they could have bought a large tract where the country club was located for a time but Mr. Joy said he didn't want a farm so near a little village like Jacksonville for predatory boys would steal his melons. He liked the looks of the land in the northwest part of the county and there bought 1200 acres and the locality took the name of Joy Prairie.

The grandfather went back east tho and didn't live west at all. In 1838 John Pickering Joy and wife and little son, Lyman, drove west in a survey with three trunks strapped on behind. They were accompanied by Richard P. Joy, brother of John Pickering Joy, and were

croup to the nervous mother who fears this terror of childhood. Why worry, why dread the approach of nightfall, when a few timely doses of FOLEY'S Honey and Tar will ward off the approach of croup and clear the throat of choking phlegm.

It stops the gasping strangling fight for breath and allows peaceful breathing and quiet sleep. Do not think this too good to be true, but get a bottle of FOLEY'S Honey and Tar Compound and it will give you confidence to face nightfall without the fear of croup. Mrs. Ben Meyerink, Clymer, N. Y. says: "Our little girl would surely have had croup but FOLEY'S Honey and Tar stopped it at once." 25c, 50c and \$1.00 sizes. Every user is a friend.

one month on the way but didn't have to camp as they were able to pay for lodgings when necessary the hospitality in those days was generous. They drove from Pittsfield, New Hampshire and crossed Lake Erie in a boat.

The first year was spent in a one story, one room log house with a lean to for kitchen. The family belongings were sent by water around to New Orleans, up the Mississippi to St. Louis and up the Illinois to Naples. In that lean to was probably the first stove ever brought to Morgan county. Lyman Joy well remembers it and says it was not the old step stove style but had a cast iron firebox and a large down sheet iron oven around which the fire went for baking. He says he never saw another like it.

Of course better quarters were contemplated and soon undertaken and meanwhile the one room house and lean to supplied a domicile for the family and many in addition. One tall young man who boarded with them was Samuel French who wisely invested in some land at the advice of Mr. Joy who came from the same place as Mr. French in the east. The cabin was situated just north of the present residence of Lyman Joy and son Edwin. Men had to be employed to cultivate the land and build the larger house and at times there were twenty one in the family and the mother said she never had a happier year. Mr. Joy says his father's plow was a primitive affair, three cornered cast base and wooden mould board with metal strips to make the soil glide off easier. Other tools were of a similar character.

The new house to be constructed was located where now is the residence of Charles B. Joy but hardly anything is left of the old structure unless possibly a part of the cellar wall. For those days it was a grand affair, story and a half with four rooms below and two above and it was regarded as a wonder by many for years after. Mr. Joy says that right in the center was the big chimney breast partly devoted to fireplace and partly to big brick oven which was used in preference to the stove and he yet smacks his lips as he recalls how good the pies, cakes and baked beans and other savory articles tasted as they came from that oven and insists there is nothing equal to such an affair for baking.

The subsequent history of the family is well known to nearly every one at all conversant with the history of Morgan county. The members of the family have ever been foremost in enterprises of all kinds that have had for their object the improvement and betterment of the community. In church, in society and in public their influence has been felt for good.

Altho nearly 84 years old Lyman Joy is still active and tho his son Edwin, with whom he lives, would like to protest it is of no use, father will work and will keep it as long as he lives for he would die right away if he didn't. He doesn't go into the field with the men but all about the house are evidences of his skill and industry. His garden is a model, adorned with many lovely flowers while strawberry bed, various vegetable beds and other things testify to his ability. He is death on weeds and when found by the visitor was wielding his hoe most vigorously. He has two dutiful daughters, Mrs. A. C. Rice and Mrs. Thurlow Pratt. One daughter, Mrs. A. L. French, is dead. His son Edwin has one lovely daughter, Mrs. Rice a son and daughter and Mrs. French has two children. Many years ago he laid his wife to rest and since that time has found welcome home with his children.

The foregoing is but a brief sketch which might be enlarged indefinitely but enough has been said to do some justice to the prominent characters mentioned.

## INAUGURATION DAY AT DARTMOUTH.

Hanover, N. H., Oct. 6.—Inducted into that notable company of educators known as the Wheelock succession and intrusted with the safekeeping of the historic Wheelock punchbowl, symbol of the highest office within the gift of the college, Dr. Ernest Martin Hopkins, business man and educator, was this morning inaugurated Dartmouth's eleventh president.

Because of the imminence of the celebration of the 150th anniversary of the founding of the college, which will take place three years hence, coupled with the fact that many colleges and universities are holding celebrations this fall, the committee in charge of the inauguration determined upon unusually simple and unostentatious ceremonies. To attain this simplicity even the decorations on the college buildings were omitted. The scene on Dartmouth campus, however, was one of picturesque splendor, as the academic procession wended its way against a perfect background formed by the tinted autumn foliage.

The exercises of the day opening with morning prayers in Hollis Chapel. Immediately after the inauguration procession marched to Webster Hall for the main ceremonies. In the procession were the alumni, college trustees, the faculty members, the student body, official representatives of the State of New Hampshire and a number of delegates from other educational institutions. The chief speakers at Webster Hall were Dr. Hopkins, the new president, and Gen. Frank S. Streeter of Concord, the chairman of the board of trustees.

P. Allen of Greenfield was added to the list of business men in the city yesterday.

## PLAN FOR M. W. A. CLASS.

Big County Class Adoption Planned for November—Representatives of Camps Met Yesterday.

Representatives from the several Woodman Camps of the County met at the Dunlap Hotel Friday and laid plans for one of the largest class adoptions ever held in Morgan County.

Every Camp in the county will furnish their quota of candidates and the old goat will feel that he has been thru a threshing machine when the work is all done.

Special initiation fee has been secured for all applicants who will give in their applications before November 1st. Each camp will have a booster committee and this committee will have the assistance of a special deputy. Great interest is being taken in Woodmen circles and it goes without saying that this class will be a success.

District Deputy George Hatzenbuehler of Bloomington treated the representatives to a fine dinner, after which officers of the county association were elected as follows:

President—Honorable Joseph Gomez.

Secretary—George Hatzenbuehler.

Treasurer—Judge Wm. E. Thompson.

The executive committee will consist of a member from each Camp. These will be selected later. District Deputy Hatzenbuehler and Special Deputy Culom will personally assist in securing applications.

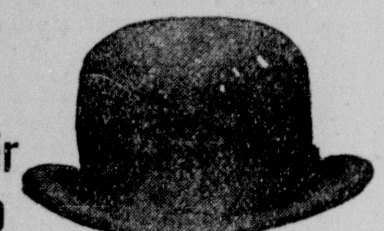

Mr. and Mrs. J. S. Peckham have gone to Waverly for a few days visit. From there they will go to Keokuk, Iowa, and Kahoka, Mo., for a visit with relatives and friends.
